INCHIN' ALONG

Though our school years have passed with greater alacrity than we care to admit, we look down the long road of life to all that lies before us, realizing that we are after all just "INCHIN' ALONG."

UPPER PERKIOMEN

HIGH SCHOOL

EAST GREENVILLE, PA.

WALUM OLUM

About 1000 A.D. a famous tribe of Indians known as the Lenni Lenape, interpreted as the "original people," invaded eastern Pennsylvania and settled in our region. The first recorded history of this tribe was entered in a "book" which was called the "Walum Olum." The traditional history of this tribe was inscribed on birch bark plates with carved figures. This was the only primitive eastern American record that can be properly called a book. Since the Lenni Lenape were prominent in our area and called their history the "Walum Olum," we should like to record the history of our class in our "Walum Olum."

Dedication

We, the class of 1961, wish to bestow upon Mr. Richard C. Schlicher an expression of our appreciation and esteem. We gratefully acknowledge his unceasing efforts in behalf of the welfare of the student body and commend his sincerity and patience in directing his pupils toward higher levels of education. By combining a genial personality and a keen interest in every individual, this outstanding teacher has gained the admiration and respect of each student under his supervision. With these attributes in mind, we dedicate this issue of the Walum Olum to our yearbook advisor and devoted instructor, Mr. Richard C. Schlicher.

ADMINISTRATION

AND

FACULTY

To the Class of 1961:

As you near the end of your public school career I imagine that you occasionally stop, retrace your steps as it were, analyze your yearly progress, and evaluate the results up to date. Have you finally achieved the goals of your educational effort? Some of you will not doubt be happy with what you have accomplished, others will be dissatisfied, and some will refuse to think about it. If there is a feeling of disappointment, frustration, or unhappiness, a serious problem exists and the time is ripe for careful introspection.

Whatever the case may be, if success be your aim, your life must be geared now to purposeful endeavor with twenty-four hour a day application. Times have changed rapidly during the short span of your lives but the basic rules of conduct will never change. The New Frontier will demand personal discipline and the virtuous practices of your ancestors in dealing with your fellow man.

Best wishes to the Class of 1961.

STANLEY M. KURTZ,
Supervising Principal

January 23, 1961

MR. C. A. ROTH

You, the Class of 1961, have set a record. Your class has the honor of being the largest class to graduate from the Upper Perkiomen Joint High School.

In order for you, as individual members, to achieve this goal it meant much hard work and sacrifice by you and your parents. Congratulations!

It is with gratification that we look ahead for you to take your place in society as active citizens in our democratic way of life.

You have much to contribute since you possess ability, enthusiasm, initiative, and determination. It is hoped that these qualities will be used to perpetuate the American way of life.

Senior Class History

Four years have passed since the Class of 1961 gathered together in September, 1957 to form a united body. And now, the Class of 1961 is on the threshold of its graduation — soon we shall leave and join the Alumni, to make room for the next class as time moves on. However, in our four years here we have made history, not only by our accomplishments but also by our attempts. We hope we have helped Upper Perkiomen to grow and to flourish.

As Freshmen back in the fall of 1957 we looked to the upper classmen to provide leadership, while we observed and learned so that our subsequent leadership would not be mediocre. By our sophomore year we had taken on some new responsibilities, had worn our class hats to a frazzle, and had ordered the coveted class rings. In February, 1959 we presented the Valentine's dance, "Two Hearts in Three-Quarter Time."

The first half of our high school career had come quickly to an end. Graduation seemed much nearer as we were finally permitted to wear our new class rings. We assumed our new duties as upper classmen and helped the seniors with school government. Other talented members of the junior class produced the play, "Onions in the Stew." January 24 was the date of our Junior Prom, Bali Hai, when we danced to the smooth rhythms of Scott Collins and the Artists.

Finally we reached the summit of our high school careers as we entered school September, 1960. This last year was filled with the rigors of advanced studies, the excitement of a 1960 presidential election, and the enjoyment of our class trip to New York. "I was a Teenage Dracula," the play presented by our energetic thespians, was certainly entertaining and novel. Who will ever forget Betty Jane Shupe's haunting lines in that play, "Master-r-r, where are you?"

Now as we prepare for graduation, we review the events in those four years. We recall all the projects and undertakings, some successful and some not so successful. We hope that through those efforts and through our education we have found the knowledge and confidence to enable us to take our place in a complex and turbulent world, a world perhaps not so full of happiness and good times as ours was at Upper Perkiomen.

SENIORS

During early August our new head coach, William Keeny, announced that the first football practice would be held on August 19th. That day coach Keeny saw for the first time the candidates he had to mold into a competent football team. He was confronted with several problems, foremost among which were the lack of experience and weight. After a week or two of preliminary training and conditioning he and his assistants began to ready the boys for real gridiron competition. They were to play on the re-sodded football field and under the new score board donated by the Lions Club of Perkiomen Valley. Although they lost their games, the team never lost spirit, and the crowds always were out to support their efforts. Receiving recognition from our team were Bart Rader, who was elected to the second team on All-Bux-Mont, and Danny Stoudt, who was awarded Honorable Mention.

On September 23 the Upper Perkiomen Indians journeyed to Upper Moreland for their first Bux-Mont League encounter. Despite the fine tackling of Dan Stoudt and the hard running of Wayne Hoffman, the Indians lost 14-0.

The Indians' first two touchdowns were scored by John Still when Upper Perk went down to a 38-12 defeat on its home field at the hands of Pennridge on September 30.

On October 7 the Indians traveled to Doylestown to play the powerful Buccaneers of Central Bucks. The Indians were victimized by a dazzling offense and came out at the short end of a 17-6 score.

		Opponent	U.P.
Sept. 16	Boyertown	19	0
Sept. 23	Upper Moreland	14	0
Sept. 30	Pennridge	38	12
Oct. 7	Central Bucks	71	6
Oct. 14	Springfield	19	13
Oct. 22	Hatboro	38	0
Oct. 28	Ambler	13	6
Nov. 5	North Penn	45	19
Nov. 11	Quakertown	28	0
Nov. 24	Souderton	31	6

Although Upper Perk played one of its best games on October 14, the Indians lost to the Springfield Spartans by a score of 19-13. Pete Gendebien and Dan Stoudt led Upper Perk's defensive unit, while John Still scored one of the redskins' two touchdowns.

On Saturday afternoon, October 22, the Hatboro Hatters played host to Upper Perk. With Dan Stoudt and John Still leading the team, the Indians tried hard to break the jinx but were defeated 38-0.

The best game played this season was on October 28 against the Ambler Trojans, although the Indians lost 13—6. John Still's passing, Stan Metz's catching, and Wayne Hoffman's and Evan Moll's running served as a constant threat to Ambler throughout the game.

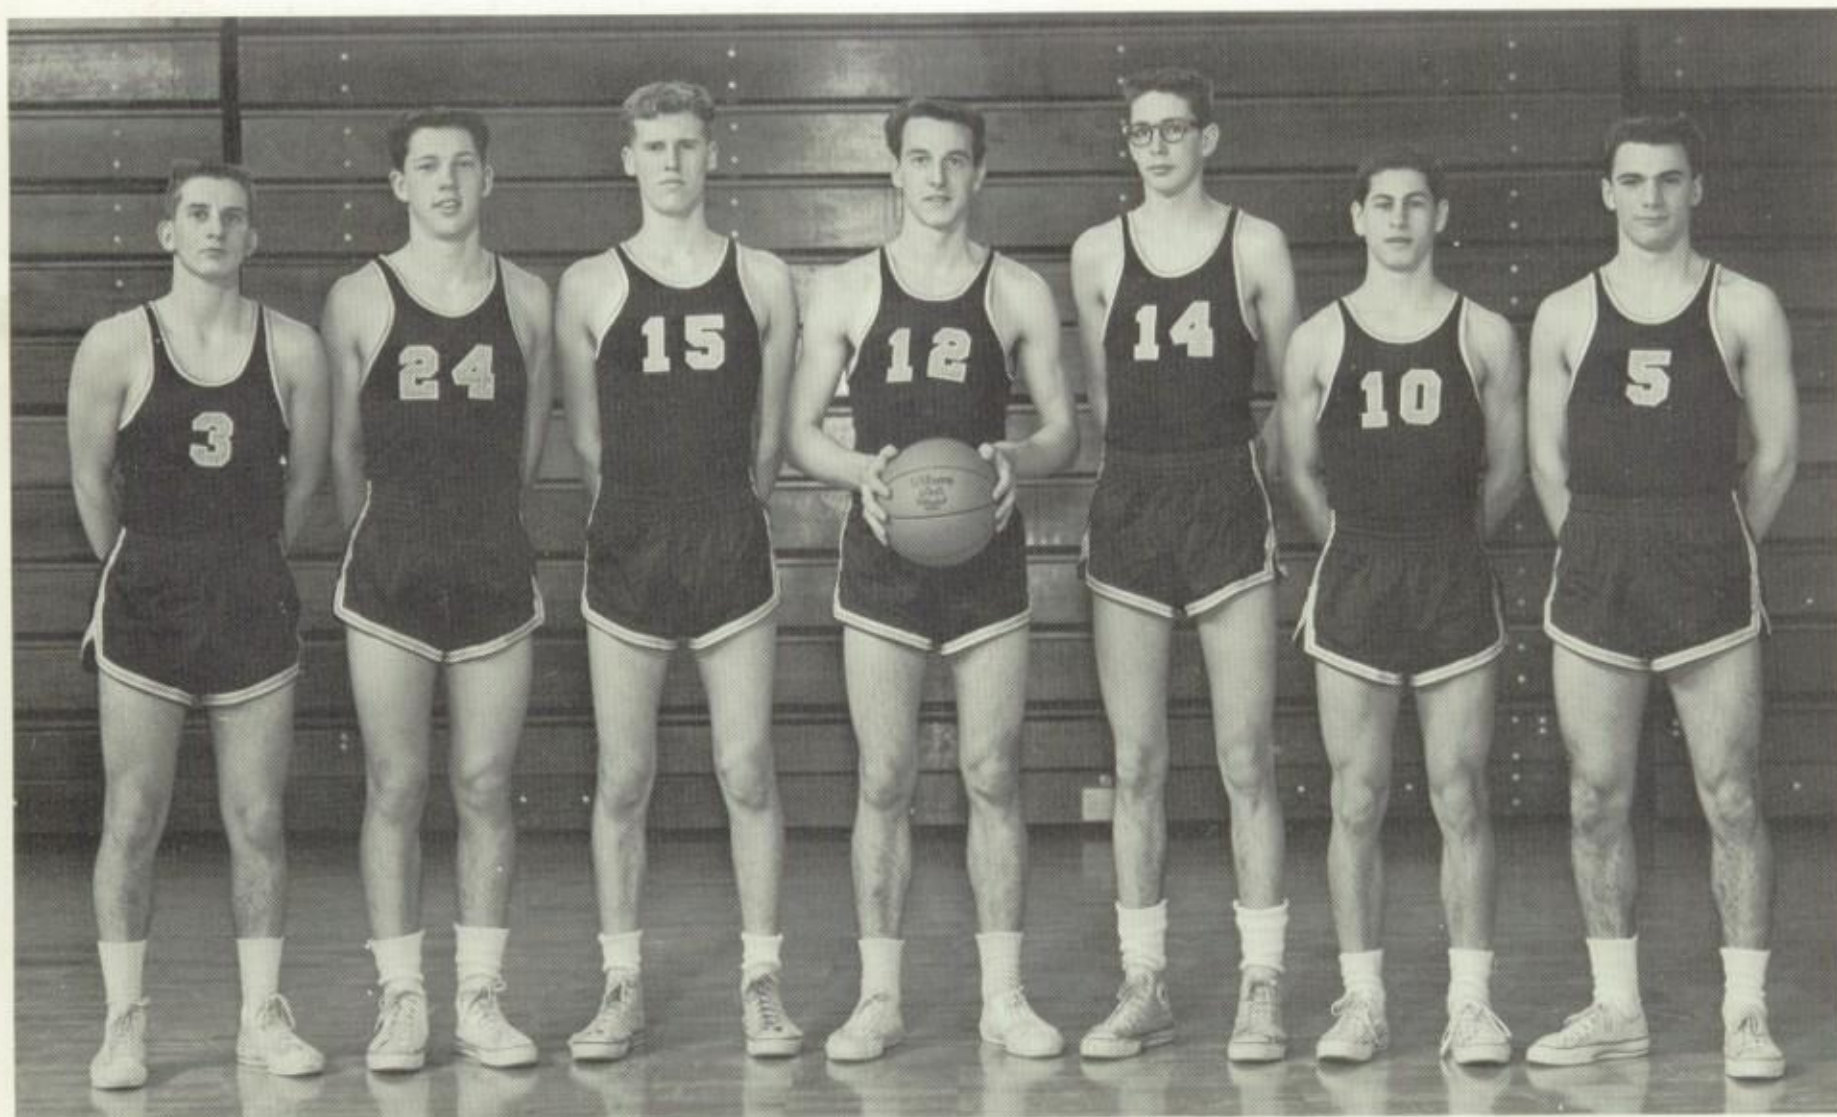

On Saturday, November 5, the Indians again took to the road, this time to play the North Penn Knights. Upper Perk met a fast outside running offense and went down to a 45—19 defeat. Senior Evan Moll scored his first touchdown, while Dan Stoudt, Bart Rader, and Pete Gendebien were stalwarts on defense.

On November 11 the Indians hosted an old rival, the Quakertown Panthers. The Panthers were held scoreless in the first quarter, but the final score read 28—0 in favor of Quakertown.

On the evening of November 23 the cheerleaders sponsored a bonfire and pep rally to create enthusiasm for the annual Thanksgiving Day game which was played at Souderton on November 24. Following the pep rally a sock hop was held in the school gymnasium.

In the game against Souderton on Thanksgiving Day, the Indians held the formidable offense of Souderton to twelve points in the first half of the game, but Upper Perk lost its final game of the season by a score of 31—6.

Although the Indians failed to bring home a scalp, they displayed an indomitable will to win throughout the season and are eagerly looking forward to the next campaign and an improved record.

Mr. Duka, Coach

JUNIOR VARSITY BASKETBALL

KNEELING: L. to R.: T. Christman, T. Ritz, T. Kramer. STAND-
ING: D. Hyra, B. Clark.

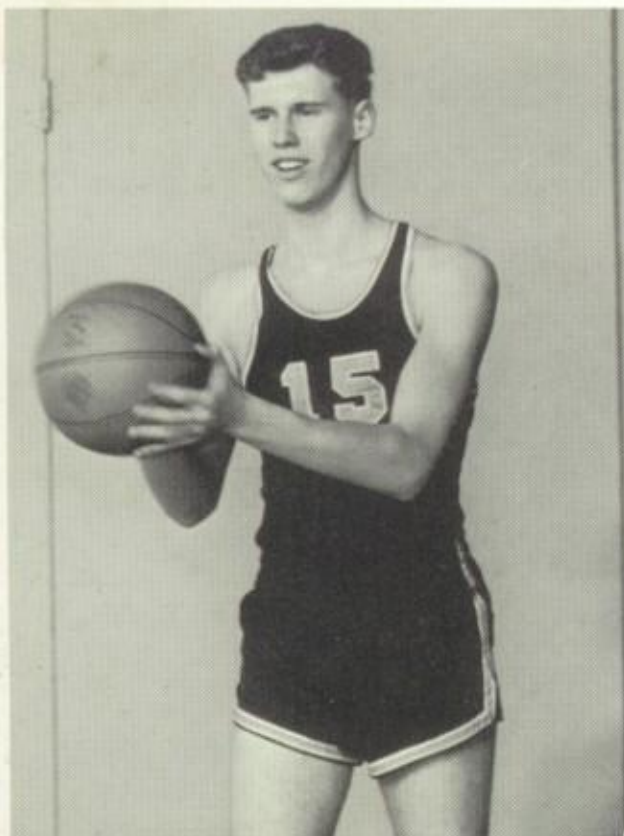

Although the JV basketball team found victories hard to come by, they never lost their fighting spirit. After opening the season with a 43-42 win over Boyertown, in which David Haring scored 17 points for the Indians, Mr. Duka's charges hoped for a winning season. However, the JV's lost their next four games, including a 34-33 loss to Souderton and a 24-23 overtime decision to Central Bucks. Getting well at the expense of Hatboro, the JV Indians won a Bux-Mont League game by defeating the Hatters, 34-21. David Haring tallied 12 points to lead the team to victory. Later in the season as the Indians clashed with the Hatters for the second time, Upper Perk, despite the highscoring of Terry Gery and David Haring, who had 18 and 17 points respectively went down to defeat 50-47.

Although the Indians lost the rest of their games, they succeeded in winning a moral victory over Ambler. The Trojans' JV squad, who at the time had a 9-0 record, defeated our JV 31-25 in a tough overtime battle.

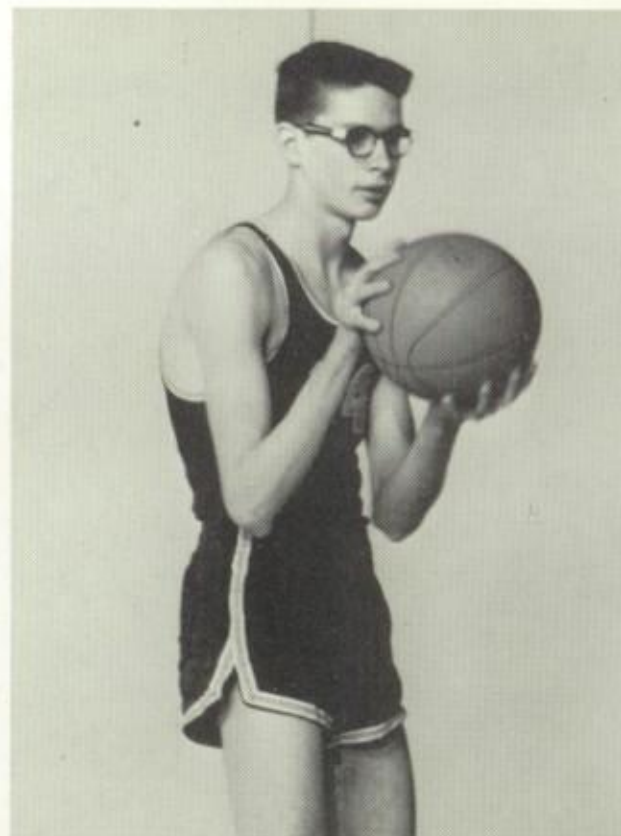

We commend the squad for their fine efforts and sportsmanship this year and encourage the boys to strive for great achievements as upper classmen.

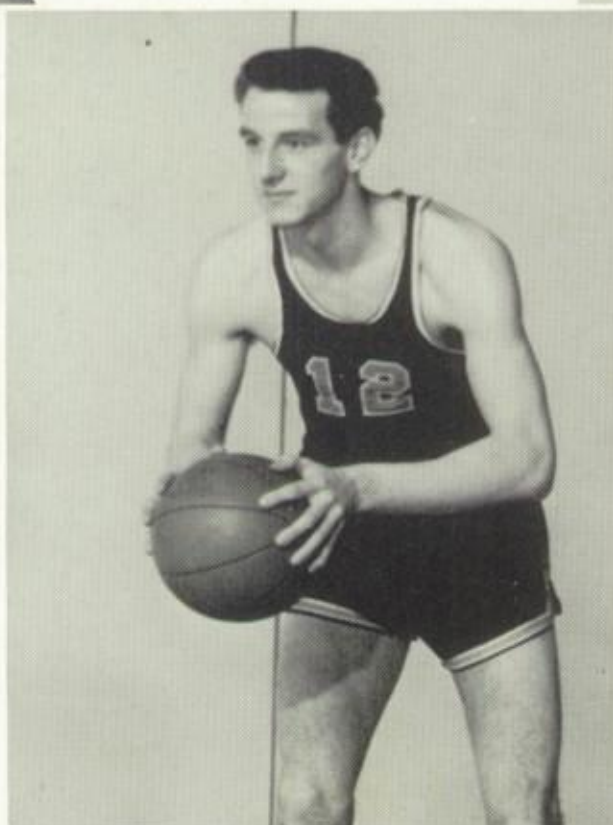

L. to R.: R. Hasker, A. Zepp, C. Bricker, D. Lachman, J. Bauman, R. Hallman, J. Jabs, D. Haring, W. Beiler.

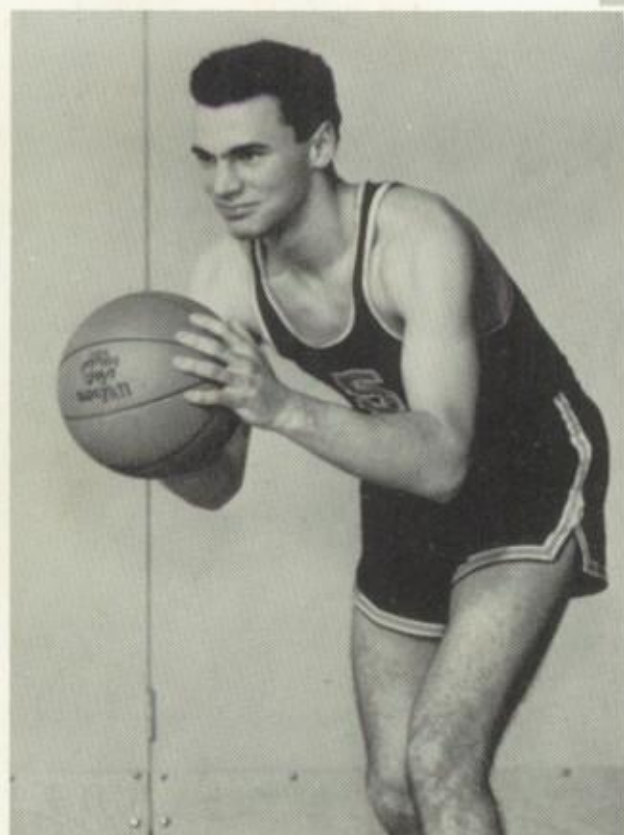

Barry Wilson
Barry Wilson, who was in and out of the starting lineup throughout the season, contributed his share of points. This 6'2" senior scored 101 points during the season and also was high scorer for Upper Perk against North Penn. Barry hit for most of his points from the pivot position on hooks and jump shots.

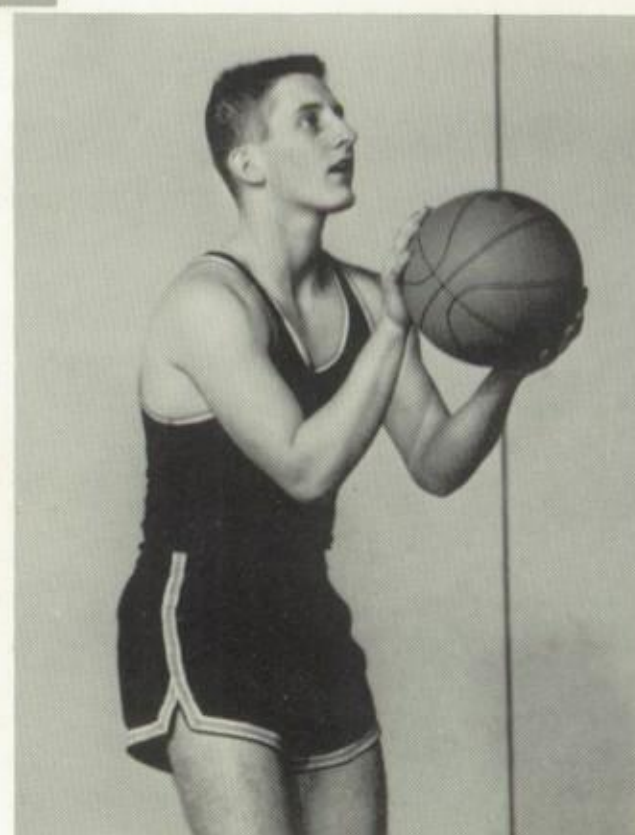

John Still
John Still, a 6'1" senior and captain of the team, was our outstanding player. He scored 334 points for the season and finished in seventh place in the Bux-Mont league for total points scored. His jump shots and under the board follow-ups accounted for most of his points. John was high scorer for Upper Perk in ten games, going over the twenty point mark six times. In his best game, he scored 31 points against Pennridge. Besides being a scoring ace, he grabbed most of upper Perk's rebounds and led the Indians to two victories over Hatboro.

Ronald Engle
Ronald Engle, a tall, lanky youth, played his best games as the season neared its end. Ron (6'2") scored 18 points to lead Upper Perk to a 64-57 upset victory over Ambler. In the final game of the season, he scored twenty points and also excelled in rebounding. His long, high-arched, one handed push shots enabled him to score a total of 156 points for the season.

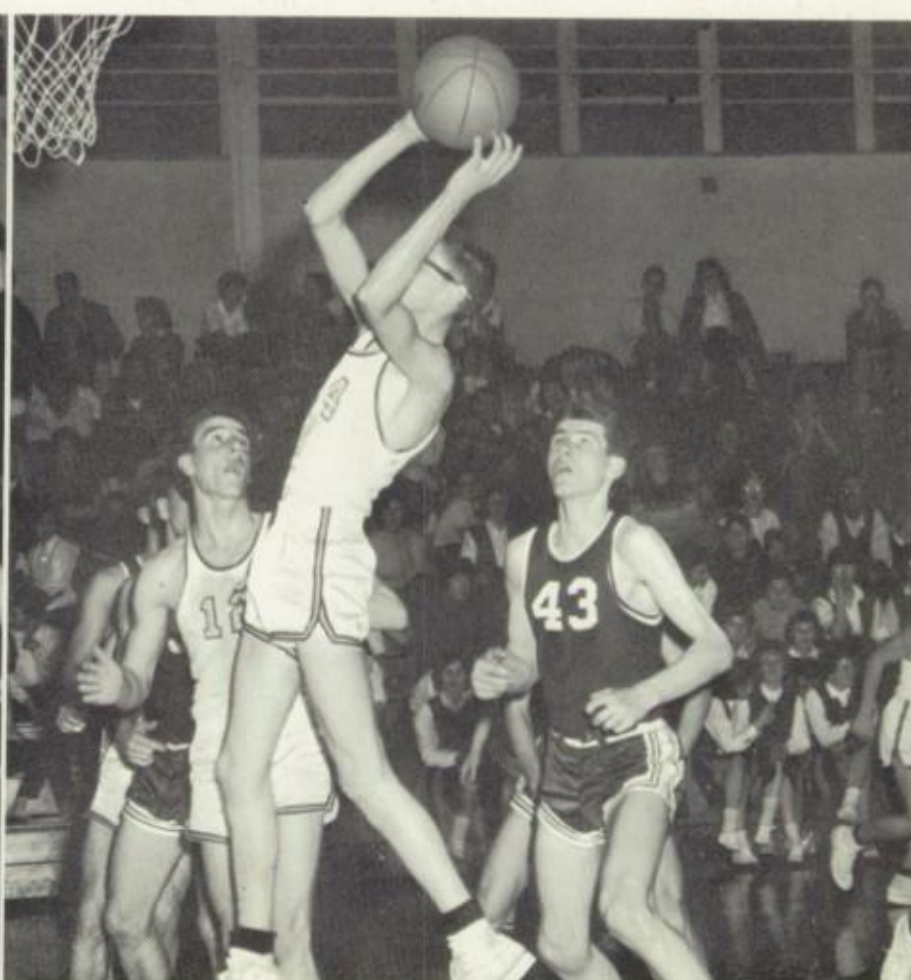

Bill Reed and Evan Moll
Two diminutive guards who saw limited action this year added a spark to the team effort all out of proportion to the time they played. In fact, Evan's clutch play at Ambler in the closing seconds gave Upper Perk its most thrilling victory of the season.

Get that rebound.

Make that basket, Ron.

On December 9, the Upper Perkiomen Indians opened their basketball season with a non-league game with Boyertown on their home court. Although John Still scored 17 points, Upper Perk lost 72—52.

After losing their first four league games, including a close 52—48 decision at Upper Moreland, the Indians found the winning touch, downing Hatboro 54—48 on our home court. Jerry Moll scored 18 points, while John Still contributed 15. However, after the Hatboro game, the boys were not too successful, losing their next five games. One of these was a 73—65 loss to Souderton in which John Still scored twenty-five points for Upper Perk.

The next week, after losing a 56—50 overtime decision to Central Bucks, Upper Perk again downed Hatboro, 54—41. John Still was high scorer for the Indians with 17 points; Jerry Moll had 13 points, and Ron Engle added 10 points to complete the scoring. Scoring 64 points to Ambler's 57, the Indians astounded the League with an upset victory over the Trojans. Highly-favored Ambler held the lead till the last quarter, when Upper Perk bounced back to score the winning goals. Evan Moll scored vital baskets in the last few minutes. Ron Engle and John Still led the way with 18 and 15 points respectively.

Upper Perk played its last game of the season on February 28 at home with Upper Moreland. Although it was a better game than the score indicated, Upper Perk lost 72—53. With this game the seniors ended their careers in high school basketball.

Upper Perk's 3—15 record was an improvement over last year's, as the Indians managed to avoid last place in the Bux-Mont League. We think the boys did a good job and hope that next year's team does even better.

BASEBALL

Welcoming back a strong nucleus from last year's squad, our new head coach, William Keeney, put the veterans and new candidates through their paces despite the intemperate weather that hampered pre-season drills. As the Indians prepared for the rigorous Bux-Mont schedule that lay before them, many of the boys showed the potential that will bring a winning season to Upper Perk. Especially impressive was the exhibition work of Billy Reed on the mound and Phil Slotter behind the mask. Evan Moll and John Haring add speed to the outfield; the steady glove work of Dan Stoudt at first, Jim Raymond at second, Jon Roncase at short,

Rod Hasker at third insure a tight infield defense. The bat work of Evan Moll, Gerry Brey, and Roy Stevens indicate that Upper Perk will not want for winning runs. Other dependable operators around the infield and in the open pastures include Gerry Kistler, Millard Breuninger and Howard Cashett. The mound corps is bolstered by Ted Bauer and Ron Engle. Joe Mayer provides relief for Slotter at the catcher's position.

With high hopes and great talent, the 1961 edition of the Upper Perk baseball squad assails the arduous task of a winning season. Good luck!

TRACK

On March 1, 1961, fifty-eight candidates reported to Coach Fred Wavarek to start Upper Perk's fourth season of competitive running, jumping, and throwing. Eager to improve upon a mediocre sixth place finish in the Bux-Mont League last year, the cindermen went through the strenuous calisthenics and running exercises as practice got underway. The Indians will have six formidable lettermen returning this year: Tony Parestis, javelin and discus thrower who holds the Bux-Mont League javelin record; Peter Melcher, half-miler and miler who holds the school record for the half mile and

mile; Miles Kamb, 100-, 220-, and 440-yard dash man; Jerry Moll, shot putter and broad jumper; Lewis Gaul, miler; and Richard Shiffert, 100-yard dash man and discus thrower.

Seniors Peter Gendebien, Rodney Moll, Dennis Roncace, Evan Moll, Wayne Rieman, David Scholl, Bill Clarke, Robert Kase, Jim Smith, David Clemmer, Linwood Hoffman, David Smith and Steve Bauman, along with several promising underclassmen, should provide Upper Perk sports fans with an exciting and successful season in track.

CROSS COUNTRY

For the first time in the history of this school, there has been a cross country team at Upper Perkiomen. Coached by Mr. Fred Wavrek, seven boys represented our school in six meets. Although Pete Melcher placed first in three meets, and despite the fact that the boys put in a great amount of time and work, they found victory very elusive.

Although Upper Perk's hockey team didn't have a highly successful season this year, their fighting spirit and determination led them to fifth place in the Bux-Mont League. Our record showed three victories and five losses. Miss Orlando our coach, offered guidance, experience, and a diet of hard work to our girls, while team managers Judy Brey and Donna Gery kept all equipment shipshape.

Misfortune as well as keen opposition accounted for the losses. An unfortunate misunderstanding caused Upper Perk to lose the first scheduled game with Ambler on September 21 by a forfeit score of 1-0, even though an informal scrimmage proved our superiority by a 3-0 count.

The Indians were held scoreless for the first time this season. On October 4 Central Bucks administered a 4-0 whitewash.

Upper Perk's three wins were captured from Quakertown, Souderton, and Upper Moreland in our second, third, and sixth games. The Quakers fell on September 28 by a score of 1-0, due to our single goal in the first half and our successful defensive measures in the second, while two weeks later Souderton collapsed before the varsity 4-0.

The Indians moved into fourth place in the Bux-Mont League on October 26 by taking the Upper Moreland Bears by a 2-1 count.

But successive losses to North Penn and Pennridge on November 2 and 9 respectively interspersed with reversals from Hatboro dropped us deeper in the standings.

Tough Pennridge and North Penn crushed hopes for a high finish by closing our season with a 2-0 shutout and a 5-1 defeat. Nevertheless, the girls can take great satisfaction and pride in the victories garnered at the expense of some excellent Bux-Mont teams.

J. V. HOCKEY

Although inexperienced, the Junior Varsity hockey team played very well all season and won two and tied two of its eight games. Scoring highest for Upper Perk throughout the season were Carol Leister, Carol Greiss, and Ann Moyer.

The first game of the season, against Quakertown, culminated in 1-1 tie. Central Bucks delivered the first loss of the season to Upper Perk via a decisive 3-0 score.

With two games of experience behind them, the Indians met and defeated the Souderton JV's by a score of 1-0.

Despite their valiant efforts as they encountered their next two opponents, Hatboro and Upper Moreland, Upper Perk lost both games, 0-2 and 0-1 respectively; and because of a conflicting schedule of the officials, the team dropped its third consecutive loss, the forfeit, to Ambler. However, in the seventh game of the season, Upper Perk defeated North Penn 1-0 and closed their season with a scoreless tie at Penridge.

We congratulate the girls for their fine display of skill and sportsmanship and hope the determination and enthusiasm exhibited this year will bring them honor and success in the future.

Make that point, girls!

Get that ball, Ann!

L. to R. Miss P. Orlando (Coach), K. Hallman, C. Bieler, M. Weiss, B. Shupe, B. Breyer, C. Croisette, P. Weaver, B. Leipensberger.

Under the capable coaching of Miss Patricia Orlando, the girls' varsity basketball team, composed of seven seniors and one junior, placed fourth in the Bux-Mont League with a 4-4 record.

Eagerly anticipating a fairly successful season, the Perkettes tried their talents on their first opponents, Upper Moreland. However the Bears proved too tough for Upper Perk, for we lost 44-40. Pennridge dealt our hopes for victory number one a crushing blow in the second game of the season by defeating us 51-31.

In the third game, even Kay Hallman's high scoring could not lead us to victory as Central Bucks managed to outscore us 38-36. The two point jinx against us held for the next game as we lost to North Penn 30-28; how-

ever, we seemed to be getting closer to victory.

Finally the tables turned. The Perkettes scalped the Quakertown Panthers on their home court by a score of 37-17. Having found the formula, Upper Perk went on to win the remainder of their games. The Upper Perk Indians defeated the Souderton Indians 46-28; Hatboro came out on the short end of a 46-10 score; and Ambler lost to the Perkettes 65-43. Carol Bieler scored thirty points against both Souderton and Hatboro.

Of the eight girls on the varsity squad, only one, Polly Weaver, is returning to challenge our competitors. The seven players who are graduating this year are Carol Bieler, Kay Hallman, Cheryl Crosette, Margaret Weiss, Betty Shupe, Becky Breyer, and Barbara Leibensperger.

The J.V. basketball team though winning only three games kept that old U.P. spirit alive. The J.V. featured a couple of high scoring kids like Ann Moyer, who led the parade this year with 74 points and Fay Gehman and Betty Lou Schoup, who also contributed more than their share.

And what about defense? The guards did an excellent job of getting that ball from the opponents and spoiling their shots. We must give credit to their under-rated and unappreciated play.

Bouncing back from a dreary start, including five consecutive losses, the J.V. won their first game over Quakertown by a score of 33 to 27. The Indians started a victory string by coming home with two more wins. Hatboro was the first victim by a 27-11 count. Souderton followed suit as the Perkettes emerged with a 41-36 decision.

On the debit side of the ledger, the juniors suffered setbacks at the hands of Boyertown, 31-18, Upper Moreland, 25-12, Pennridge, 30-16, Central Bucks, 35-14, North Penn, 27-29, and Ambler, 37-20.

The potential of the J.V. when added to the returning varsity members should give Upper Perk rooters something to shout about next year. Here's hoping!

SOFTBALL TEAM

During the latter part of March, fifty-seven girls reported to coach Miss Patricia Orlando for the year's first softball practice. Eight of last year's letter winners were among those who reported for the first drills.

Seven team members, Kay Ann Hallman, Becky Breyer, Sandy Grill, Carol Greogory, Leona Detharidge, Eileen Fitzgerald, and Muriel Shipe, are graduating this year.

With the impetus furnished by experienced personnel, particularly the excellent pitching, the softball squad expects to chalk up a respectable record in Bux-Mont competition.

NATIONAL HONOR SOCIETY

CENTRAL SCIENTIFIC COMPANY

NATIONAL HONOR SOCIETY

At an impressive ceremony held on December 22, 1961, sixteen senior high students were inducted into the Upper Perkiomen Chapter of the National Honor Society during a senior high assembly period.

The sixteen members of the newly-formed organization as they appear on the picture are Bottom Row, left to right: Lucille Steinman, Dennis Roncase, Evan Moll, Dalene Martin, Rebecca Breyer. Second Row: Ann Moyer, Sandra Schultz, Jayne Walker, Faye Gery, Lesta Bertoia, Betty Yokl, and Maureen Stevens. Top Row: Jerry Moll, Thomas Schantz, James Raymond, and Maxine Nase. Officers of the society during the 1960-61 term were Evan Moll, president; Lesta Bertoia, vice-president; Maureen Stevens, secretary; and Dennis Roncase, treasurer. The induction of new members into the society was held April 28, 1961.

STUDENT COUNCIL

In addition to its usually busy agenda, the Student Council added new dimensions to its already broad scope of activities. Besides its efforts to promote the general welfare of the school through better faculty, community, and administrative relations, the Council founded and nurtured a weekly newspaper column, "Weekly Wigwam," sponsored school dances, arranged a faculty-varsity game, and aided in the institution of a National Honor Society chapter.

The Council wishes to thank the student body for its part in making the Student Council's program a success in this the busiest of Student Council's many years of operation.

DANCE BAND

The school's dance band consisted of seventeen members. Under the capable direction of Mr. Vincent Bercher, they provided the musical entertainment for the Junior Play in addition to presenting an exchange assembly at the Schwenksville High School.

Senior members of the dance band include John Henry, Steven Bauman, David Genszler, Benny Fiorito, Barbara Leibensperger, and Diane Wetzel.

On March 16, five instrumentalists represented our school in the annual Bux Mont Band Concert at Upper Moreland High School: G. Rothenberger, flute; D. Genszler, trombone; J. Henry, trumpet; G. WALUM OLUM

The third week of September hummed with activity as the seniors laid the foundations for the 1961 Walum Olum. After careful consideration, committee heads were appointed and Susan Bockius was asked to serve as editor-in-chief. Having interviewed delegates from various publishing companies, the staff voted to engage the services of the American Publishing Company. Mr. Jackson, their field representative, provided us with necessary materials, helped us determine a satisfactory schedule, and advised us concerning technical problems.

Room 115 appeared as busy as a beehive every Monday and Thursday when staff meetings were conducted. Within two weeks we saw actual plans formulated, and all committees were assigned specific duties. Mr. Richard Schlicher, our advisor, made us aware of aspects of procedure we otherwise would not have considered. His guidance, together with the full cooperation of each individual, made it possible for us to successfully meet all our deadlines with a minimum of scrambling.

Compiling this yearbook has been a difficult, but rewarding task, employing the time and talents of each staff member. Our goal has been to highlight the outstanding scholastic, athletic, and social events in our years here at Upper Perk. We hope that in the coming years these annals will bring back pleasant memories to participants of activities mentioned, as well as to those responsible for the preparation of this issue of the Walum Olum.

The Future Farmers of America is a national organization of, by and for boys studying vocational agricultural. The instilling of knowledge such as the planting of crops, harvesting, the care of livestock, and farm management is only a part of this fine organization's purpose. Its primary aim is the development of agricultural leadership, cooperation and citizenship. Among other things, members learn through active participation how to conduct and take part in meetings, to speak in public, to buy and sell cooperatively, to solve their own problems, to finance themselves, and to assume civic responsibility.

The members of Upper Perk's F.F.A. chapter have done well this year in the fairs surrounding our area. At the January farm show in Harrisburg, our Aggies won first prize for their exhibit entitled "Farm Safety." This award has been won by Upper Perk many times before, and our boys were determined to further the tradition. A trophy and prize money were received at the Allentown Fair early in the year.

The Future Homemakers of America is an organization started at U.P.H.S. in February, 1947.

The main purposes for the organization of this group are to emphasize the importance of worthy home membership, to encourage democracy in home and community life, to foster the development of creative leadership in home and community life, and to further interest in home economics.

Their motto is "Toward New Horizons."

During the past year they entered three group exhibits in the Community Fair, plus individual exhibits. The F.H.A.'s Pennsylvania Farm Show exhibit, "From Rags to Riches," won a forty dollar prize. They also entered exhibits in the Children's Clothing Unit of the Community Fair in September.

In a year of innovations, the girls entered the Vogue Pattern Company's National Fashion Contest.

Two more firsts: they had a fashion show at the Schwenkfelder Library, and their dresses were put on display at Bieler and Reigner's department store.

Despite their busy schedule, the girls still found time to redecorate their homemaking cottage.

JUNIOR PLAY

"Onions in the Stew"

Would you like to live on an island?

The two MacDonald daughters were very much opposed to moving to an island. To them the mainland and their boyfriends on it seemed unbearably far away. Despite the efforts of their mother and father to reassure them, they were convinced that life would hold few pleasures for them if they remained on Vashon Island where the ferryboats were undependable and the roads on the islands were merely well worn ruts. However, as they experienced the rigors of island living in winter and the pleasure of island living in spring, they grew to love their home. When the opportunity to leave came to them, at last they agreed unanimously to stay.

As mother and father, Susan Bockius and Bart Rader, strove earnestly to convince themselves and their two daughters, Dalene Martin and Joanne Leister, of their love for the island. The girls' boyfriends, portrayed by Peter Melcher, Evan Moll, and Ronald Kline spent a lot of time at the MacDonald household entertaining the girls and often complicating matters. Many other talented actors and actresses of our class participated in this production to make it a pleasure to watch.

SENIOR PLAY

On January 7 and 14 at 8 p.m. in the school auditorium, the Senior Class presented its play, "I Was A Teen-Age Dracula."

A group of teen-agers were certain that a visitor was a vampire because of his last name, Dracca. Sandra Grill played the part of Marlene, the maid, who was addicted to watching horror movies on television. Marlene was especially frightened when Steve Dracca, the visitor, took a special interest in Sue Marshall, played by Joanne Leister. While everyone's attention was centered on Steve Dracca, played by Steve Bauman, Uncle Clyde, played by Dwight Miller, was carrying out his plan to steal a sum of money which had been left to Sue and Pete Marshall.

Members of the cast that are not shown on the picture above are Rebecca Breyer and Pete Gendebein.

CLASS WILL AND TESTAMENT

The Class of 1961, being of sound mind, bequeaths the following:

John Henry wills his "way with Mr. F. Schlicher" to Charlie Bricker.

Sharon Stauffer offers her nickname, "Chicky," to a future chicken farmer.

David Bauman leaves his beloved slide rule to Mr. Neiman.
